## **Support** Kids' Chance of Tennessee

Kids' Chance is a non-profit that provides **scholarships** to young people who have had a parent catastrophically injured or killed in a work-related accident. Each student may be awarded \$6,000 in scholarship per year, and we invite you to join in the fundraising efforts throughout the conference. Enjoy a live auction hosted by Troy Haley and Amanda Terry at the beginning of the reception on June 10, and explore silent auction items available on the online bidding app through Thursday afternoon. Visit the Kids' Chance booth in the Exhibit Hall for activities, details, and ways to get involved. Auction item donations are welcome on Wednesday—together, let's see how many scholarships we can create.
